2023 Report and Accounts for the Parochial Church Council of St. Kenelm's Church, Enstone

Aim and purposes

The Parish of Enstone is part of the Chase Benefice - a group of four rural parishes in West Oxfordshire encompassing the villages of Chadlington, Ascott-under-Wychwood, Spelsbury and Enstone.

St. Kenelm's Parochial Church Council (PCC) has the responsibility of cooperating with the incumbent of the Chase Benefice, the Revd Mark Abrey, in promoting in the ecclesiastical parish the whole mission of the Church: pastoral, evangelistic, social and ecumenical. The PCC is also specifically responsible for the maintenance of St. Kenelm's Church, Enstone.

Objectives and activities

The PCC is committed to enabling as many people as possible to worship at our church and to become part of our parish community at St. Kenelm's and the wider Chase Benefice. Working closely with the other PCCs of the Benefice, the PCC maintains an overview of worship throughout the Benefice and makes suggestions on how our services and activities can involve the many groups that live within our parish. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, we have considered the Charity Commission's guidance on public benefit and, in particular, the supplementary guidance on charities for the advancement of religion. In particular, we seek to be faithful servants of God, cherishing the past and embracing the future, as together we seek to make God's love known in our Benefice.

This involves:

- <u>deepening our relationship with God</u>: in worship; through discipleship and prayer; by working together for the building of God's kingdom; and enabling each person to become the person that God wants them to be.
- <u>serving each other</u>: out of love for each other; by recognising and encouraging the God-given gifts of the people of the Benefice for the benefit of all; being God's family in this place; and by building community within our parish and across the Benefice.
- <u>serving our community</u>: by maintaining our church building as a focal point for the community; through outreach; by nurturing the young; by encouraging and enabling members of the church to take part in the leadership of our community; and by offering people opportunities to meet together.

To facilitate this work it is important that we maintain the fabric of St. Kenelm's Church and seek ways to make it more inviting for worship and community groups.

At the time of the Annual Parochial Church Meeting in May 2023, there were 33 parishioners on the Church Electoral Roll.

Achievements and performance

There has been some continued effect of the pandemic on our worship, with smaller congregations, but people have been returning to Church services. We have continued to work towards our mission goals.

Deepening our relationship with God

All are welcome to attend our regular services. There is a well-established pattern of services across the Benefice each month. The PCC remains committed to offering a range of services over the course of the year that our community finds both beneficial and spiritually fulfilling. Each month we have a traditional Book of Common Prayer service at 8.00 on the first Sunday, and a more contemporary Communion service at 10.00am (Common Worship) on the third Sunday. Average numbers at services during the year were 9 at the 8.00am Eucharist, and 23 at the 10.00am service. We also have popular services at Easter, Harvest, Remembrance, and Christmas, which attract a larger congregation from the village. Our Easter service was attended by 51 people, and was followed by an Easter-egg hunt.

As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through baptism, we thank God for the gift of life, and in marriage services, vows are exchanged with God's blessing. Through funeral services, friends and family express their grief and give thanks for the life which is now complete in this world and to commend the person into God's keeping. In Enstone we have held 8 baptisms, no weddings, and three funerals during the year.

Our annual Memorial Service for those who have died in the Benefice over recent years was held in Enstone Church, with 50 people attending. The Enstone Remembrance Day service had a congregation of 57 and raised £272 for the British Legion. Our online service for The Longest Night in December was watched by 68 people.

We held our Lent discussion groups in Chadlington Village Hall this year. These offered a simple meal, and opportunities for fellowship, with input and reflection to deepen our faith. Each week we invited speakers from a charity – The Branch, the Chipping Norton Theatre, Lawrence Home Nursing, and CRAG – to tell us about their community work, which was really interesting and enlightening. We thank Peter Silva for leading these meetings, and also those who provided and organized the suppers.

We had an Advent supper in early December, in the room in the Enstone Parish Hall, with 20 attending, and the Revd Peter Silva talking about the origins of Lent, and how we understand it now. Thanks to Gillie Galloway for the delicious pheasant stew and red cabbage.

We held a Carol Service on 18th December, with a congregation of 74, and the extended Benefice choir in very good voice. Village residents read the lessons. During the week before Christmas, Rosy Nixon and Jill Elliott led a family event in the Church, with crafting, dressing up, and a good time had by all, followed by squash (or coffee) and biscuits. This drew three families, and it is hoped that we will be able to repeat the event in the future.

The Christmas Day service was attended by 56 people.

The clergy have continued to provide online recorded services each Sunday, which include hymns, appropriate photographs, and Benefice parishioners reading the intercessions and Gospel, and supplying videoed 'Peace' greetings. Mindful of those who do not have access to the internet, these services are also accessible by phone. These are designed to be short and accessible, with prayers, a Gospel reading, and a short reflection. They have been well-received, and reach well beyond our normal worshipping community. An average of 75 people watch the recorded service each week.

Mark returned from sick leave in March 2023 and his first service in the Benefice was on Easter Day in Chadlington. Ilona remained steadfast in keeping the Benefice functioning as normally as possible during Mark's absence, for which the PCC is very grateful. With the help of visiting clergy, particularly the Revd Elizabeth Koepping and the Revd Peter Silva, as well as the Revd Brian Ford, the Revd Jackie Jones, and the Revd John Partington, we have continued to hold two weekly services in the Benefice. The Diocese has given financial support to pay for the cost of visiting clergy. In July, Ilona was granted a well earned Sabbatical, and remained off at the end of 2023.

As a Benefice we are committed to being an inclusive church community: we actively seek to offer a welcome to all, regardless of economic power, gender, mental health, physical ability, race, or sexuality. Our affiliation to Inclusive Church continues to attract people from outside the Benefice, and we have been pleased to welcome new members who have found a home among us, including those who join us online.

Serving each other

We are committed to supporting the sick, the bereaved, the housebound and those in need. Some members of our parish are unable to attend church due to sickness or age, or vulnerability to Covid. Mark has resumed visiting church members who requested it, and celebrating communion with them either at their homes or in hospital, or offering pastoral support by telephone.

During the year, the distribution of our e-Bulletin reverted to being sent out weekly and remains an important way of supporting the congregation. The WhatsApp group set up in 2020 has been a successful way of keeping up with each other, including support, encouragement, prayer, and celebration.

Many aspects of worship have lay involvement across the Benefice, such as reading, leading intercessions, music and choir, flower-arranging, cleaning, and bell ringing. We are committed to encouraging more people to share in these roles, especially as numbers have dropped since the pandemic. Since we reopened our buildings for prayer and worship we have hired a cleaner, who lives in Enstone, to clean the church once a week.

As we have no house-for-duty priest living in the Enstone Vicarage, the Diocese continues to let the Vicarage. The PCCs had agreed that the saving of £13,500 on the Parish Share would be put into a 'Ministry Fund' and used to 'buy-in' any particular help that we might need. This has been particularly useful this year, paying for the travel costs of visiting clergy. At the year-end the unspent monies from the Ministry Fund were returned to the individual PCCs.

Serving our community

The Church of St. Kenelm provides a valuable resource for the wider community. The Church has been open daily during daylight hours, and welcomes both visitors and parishioners.

Following the completion of the restoration and re-ordering of St. Kenelm's Church in 2018, we have a beautiful building which remains as a focal point for our community. Two concerts we have held in the Church during the, raising funds for the Alzheimer's Society, and Crisis Oxford. We thank Philippa lbbotson and Phil Hoy of Church Enstone very sincerely for their sterling work for these concerts, as well as Brian Pennington, who has organized and manned the bar.

The Enstone History Society has used the Church for its meetings each quarter, making a donation to the Church on each occasion.

The PCC is committed to safeguarding the future of this building, and is grateful to Charles Powell, Chairman of the Fabric Committee, for his tireless work on our behalf. In 2022 some repairs outlined in the quinquennial inspection were carried out and we continue to monitor the state of the lead roof. We are grateful to Enstone Church Building Endowment Trust as well as a generous private donation,

covered the cost of these repairs. Various other smaller items, including repairs to the floor tiles, remain to be completed.

The PCC supports and encourages church members in organising events in the Church. Anna Marnham continues to marshal a team of knitters, and masterminds the sale of knitted goods and cards at Easter and Christmas, raising valuable funds. We are grateful to all those who have given their time and effort.

Since his return to work, Mark has resumed taking Communion to the residents of Enstone House Residential Care Home and it is hoped to restart regular Songs of Praise services in 2024.

Helping those in need is a demonstration of our faith. We continue to support the work of the North Cotswold Community Food Bank. Since lockdown, a Benefice collection box has been available outside the Vicarage. The PCC normally supports the work of a number of charities through special collections, but, with the exception of the Royal British Legion, this has not been possible this year.

St Kenelm's participates in the Annual Oxfordshire Historic Church Trust (OHCT) Ride and Stride. The money raised helps to preserve some of Oxfordshire's 650 churches, chapels and meeting houses that are at risk of falling into disrepair, as well as supporting St Kenelm's. We are grateful to Dawn Briggs, who participated and raised funds for these causes.

Our parish magazine, *The Ensign*, is distributed monthly to all households in the parish. The magazine keeps our parishioners informed of important matters affecting the village. We continue to develop our Benefice website and making use of emails and social media to communicate not only with members of the congregation but also with a much wider cross-section of the local community.

We celebrated the Coronation of King Charles III in May, with a special Benefice service in Spelsbury Church, followed by refreshments.

In July, Chipping Norton held its first Pride event, which was a huge success. Mark and a number of members of the Benefice were pleased to be able to be part of the 'Christians At Pride' Team. Many people commented that they were pleased to see a church presence. Lots of leaflets and cupcakes were distributed, and those churches that took part agreed to meet later in the year to arrange an inclusive service.

Links with the wider Church

One member of the PCC, Rosy Nixon, sits on the Deanery Synod. This provides the PCC with an important link between the parish and the wider structures of the church. A report of the proceedings of the Deanery Synod can be found on pages 18 and 19.

Safeguarding

The PCC is committed to safeguarding children and young people, vulnerable adults and those in abusive relationships. We aim to create a safe environment where children and young people are nurtured and protected and where all people, especially those who may be vulnerable for any reason, are able to worship and pursue their faith journey with encouragement and in safety. All PCC members have completed Basic Awareness and Foundation safeguarding training as required by the Diocese.

The Benefice follows the national legal and procedural framework for safeguarding children and vulnerable adults and Church of England policy and practice. A copy of our Safeguarding Policy Statement is displayed on our noticeboard. This statement is also available on the Benefice website, along with the Parish Safeguarding Handbook [see: www.thechasebenefice/safeguarding].

We will act promptly on any complaints made and work in close partnership with police and social care services where children or vulnerable adults have been harmed or are at risk of harm or mistreatment. We provide safe recruitment, training and support to our voluntary and paid workers with children and vulnerable adults. We care for those who have been abused in the past and minister appropriately to those who have abused.

The Chase Benefice's Safeguarding Officer is Julie Benson, who can be contacted on 01608 676672, or by email at safeguarding@thechasebenefice.org.uk

The Diocesan Head of Safeguarding is Louise Whitehead, who can be contacted on 07391868478, or by email at louise.whitehead@oxford.anglican.org.

Financial review

The accounts for the year ending 31 December 2023 are set out on pages 9 to 17 of this report.

2023 was a challenging year financially. For several reasons, including the pandemic, there have been no fundraising activities for Church funds since 2019. Together with the loss of several of our generous regular donors through moving away from the Parish or passing away, this has meant that for several years, our expenditure has been greater than our income—£1,177 on unrestricted funds in the autumn of 2023. During this period, we have bridged the gap by using our reserves, which have now been expended.

The PCC understands that without a significant increase in regular donations, the long-term sustainability of the Parish is at stake. In a bid to address this, we reached out to all households within the Parish at the end of 2023, disseminating information through the Enstone Ensign and hosting meetings to raise awareness. The initial response has been encouraging, and we will continue to monitor the cash flow closely.

The PCC is deeply grateful to all our regular and other contributors. We particularly appreciate those who enrich the life of the Church and community by dedicating their time and energy to our fundraising activities.

Over the year, we have been consolidating our accounting procedures. Ashley Rogers, our Treasurer, is supported by Beth Sinclair, the Benefice Administrator, who keeps the accounts updated on the dedicated church accounting software. We are grateful to Beth and Mark for their assistance to the Treasurer.

Total receipts on unrestricted funds were £27,339 (up from £26,626 in 2022), of which £10,632 (down from £11,999 in 2022) came from planned voluntary donations, £2,126 (up from £755 in 2022) from online donations, and £207 from the Oxfordshire Historic Churches Trust 'Ride & Stride'. Total receipts on restricted funds were £15,735 (down from 2022 £19,285). Sales of cards and knitted goods - £1,600 (2022 - £1,973) and revenue from The Ensign parish magazine £1,730 (2022 - £2,585). Gift Aid reclaimed in the year amounted to £3397.

Total expenditure for the year was £46,618 (down from 2022 £56,424), of which £31,707 (2022 - £29,251) was from unrestricted funds and £14,911 (2022 - £27,172) was from restricted funds. From these total funds, General Running Expenses, including insurance, were £21,196 (2022 -£32,882), including heating oil £2,751, electricity £985, and general cleaning £1,125. As usual, our other significant items of essential expenditure were the Parish Share of £14,785 (2022 £15,087) and our share of Benefice and Clergy costs of £6,921. Expenditure on The Ensign was £2,285.

During the year, the PCC made donations from its funds of £100 towards charitable causes.

The PCC notes that producing The Ensign incurred a net cost of £1,105 mainly due to a decline in the advertising revenue. The General Fund bank account has transferred £500 to The Ensign Fund bank account to support cashflow.

The creditor of £243 is money held on account for Crisis from the concert held in 2023, which will be transferred early in 2024.

At year-end, total funds amounted to £23,573, of which £10,463 was unrestricted general funds, £2,817 designated funds, and £10,292 restricted funds. Designated funds include the sum of £2,617 held on behalf of the PCC in the Chase Benefice accounts. This sum is used for the expenses in the Benefice budget as agreed by all PCCs of the Benefice annually. A full breakdown of all funds is shown at the bottom of page 10.

Ashley Rogers, Treasurer

Reserves policy

It is PCC policy to try to maintain a balance on free reserves (net current assets) which equates to at least three months' unrestricted payments. This is equivalent to £10,725. It is held to smooth out fluctuations in cash flow and to meet emergencies. At the year-end, a balance of £10,513 unrestricted general funds was held. As noted above, the PCC is making every effort to increase this reserve.

Volunteers

We would like to thank all the volunteers who work so hard to make our church the community it is. In particular we want to mention Charles Powell and his oversight of the fabric of our beautiful church building, and Ashley Rogers, our Treasurer. We are also indebted to all our fundraisers, especially Anna Marnham and her enthusiastic knitters. Our worship has been enhanced by our organists, Elsa Williams, Jill Greer, and Gillie Galloway, and by Rosy Nixon leading the Benefice Choir. Many volunteers give of their time and talents: bell-ringers, intercessors, readers, sides-people, coffee and cake makers, keyholders, flower arrangers, cleaners, and the Benefice Choir. To all of them we express our thanks for the essential contribution they make to the life of the parish. We still need to enlist more volunteers.

Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. At St. Kenelm's, the membership of the PCC consists of the incumbent (our Rector), churchwardens and members elected by those members of the congregation who are on the electoral roll of the church. All those who are members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding how the funds of the PCC are to be spent. New members receive initial training in the workings of the PCC.

The full PCC met three times during the year. In addition to these meetings, the PCC met with the other PCCs from the Benefice on two occasions.

The PCC has two committees:-

<u>The Standing Committee</u>. This committee, which is required by law, has power to transact the business of the PCC between its meetings, subject to any directions given by the PCC. Members of the standing committee are The Chairman, the Vice-Chairman, the Churchwardens, the Treasurer and the Secretary.

<u>The Fabric Committee</u>. This committee is responsible to the PCC for general repairs and maintenance of all church property in the parish. It achieves this by the implementation of a costed work programme presented to and approved by the PCC. Additionally, the remit of the committee includes "Considering,"

advising on and, if appropriate, subsequently implementing any improvements to and enhancement of the interior facilities and decoration of the church requested by the PCC." Members of this committee during the year were: Charles Powell (Chairman), the Incumbent and the Treasurer (all ex officio). The committee has the right to co-opt additional members as it sees fit.

These committees are responsible to the PCC and report back to it regularly with minutes of their decisions. These are received by the full PCC and discussed as necessary.

Independent Examiner's Report for the year ended 31 December 2023

I report on the accounts for the year ended 31 December 2023 which are set out on pages 9 to 17.

Respective responsibilities of Trustees and Independent Examiner

As trustees of the charity, the members of the PCC are responsible for the preparation of the accounts. They consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matters have come to my attention which give me reasonable cause to believe that, in any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached..

Chipping Norton Deanery Report for 2023

The Chipping Norton Deanery is in the Dorchester Archdeaconry in the Diocese of Oxford, which covers the Counties of Berkshire, Buckinghamshire and Oxfordshire – which by geography and population is one of the largest in England and Wales but nevertheless includes many much smaller parishes with populations of 500 - 700 or less - at least 68 with a population under 200.

We continue to thank God for the many blessings bestowed upon us, for the beautiful place in which we live, for our homes, our families and our churches and above all for the for the peace in which we live when much of the world is stricken by war, and for God's love that surrounds us every day in every way.

The Deanery has had a busy year, in many cases still trying to get back to normal after the pandemic which changed so much in 2020 and 2021 and continues to have an effect upon all out lives. The Synod met three times: 15th March, 22nd June and 30th October, each time at All Saints, Churchill.

At the March Meeting The Area Dean, David Salter, and I talked about the Area Deans and Lay Chairs Conference, Diocesan Synod and the Mission Action Plan (MAP), as well as discussing the programme for the year, and, of course, the Parish Share. In June there were the elections for the next triennium: Lay Chair, Deanery Treasurer, Deanery Administrator and a representative of the retired clergy (Catherine Hitchens, Brian Ford, Samantha Saw and Peter Silva). The elections to come in to force on 1st July. Elections over we discussed the approaching Cathedral visit and more about the MAP and Pilgrimage Walks. On 30th June we went to Christ Church Cathedral where we enjoyed a conducted tour, an excellent tea and a glorious Evensong and bumped into our previous Area Dean, the Revd Canon Sally Welch in her new role. At our third Synod, 30th October, we talked again about the Parish Share and agreed the invitation to be issued to Bishop Gavin and Archdeacon David to come to our first Synod of 2024 to put both sides of Living in Love and Faith - known for short as LLF, the same-sex marriage question. After that we enjoyed the delicious supper organised by Sam with the opportunity to chat and get to know each other.

Our excellent Deanery Treasurer, Brian Ford, told the October Synod that he would be standing down in 2024 – and so we are looking for a volunteer Deanery Treasurer and, if possible, a deputy deanery treasurer – in fact, two volunteers!

The subject of the Parish Share continues to be a thorny one, on which the long term effects of covid are beginning to show. I know you all do your best, but please keep it top of the list of things to pay, not somewhere near the bottom.

I do urge those who are Churchwardens and PCC Secretaries to keep well acquainted with the Church Representation Rules, to attend the very good training and information days which the Diocese organises, and to fully understand your role. It is quite surprising to discover things of which you have previously no knowledge whatsoever and I would say essential if you are in a vacancy and need to know exactly what you will be responsible for when your vicar or rector has left for pastures new. Above all the training days show you that you are not alone, there will be someone at Church House who can help and who is only too willing so to do.

Bishop Gavin continues his regular get-togethers for the eleven Lay Chairs of the Dorchester Area, usually on zoom. We do have the opportunity to talk about what our Deaneries are doing, but I will admit I prefer in-person meetings with the opportunity of picking your fellow Lay Chairs' brains for ideas and information. We meet once a year for a relaxed social.

The Area Dean and I meet regularly to exchange information and discuss matters, and I find these meetings extremely helpful – I hope he does too. My thanks go David and to Brian, for his exemplary work, and to Sam Shaw, our brilliant Administrator, who is so good at reminding us all of our duties in our various roles – gone are the days of my youth when PCCs seemed to do more as or less as they pleased.

On a personal level I have continued to write Lay Chair letters to keep everyone in touch between Synods, and, I hope, encourage everyone in all their endeavours.

This Report will be on your agenda at your APCM -- I do hope you will have a good attendance, that you will be able to fill all your Offices, and that you are looking towards the challenges of 2024 with relish.
